

The screenshot displays the IBM Cloud Dashboard interface. At the top, a navigation bar includes the IBM Cloud logo, a search bar, and links for 'Catalog', 'Manage', and the user's account 'TEJESWINI S's Account'. Below this, the main dashboard area features a 'For you' section with five cards: 'Build' (purple background), 'Get Started with the CLI', 'Set up your IBM Cloud account', 'IBM Watson Internet of Things Platform', and 'Discover the Watson Internet of Things (IoT) Platform'. Each card provides a brief description and a 'Getting started' button. To the right of these cards is a 'Select an option' dropdown. Below the 'For you' section, there are four more cards: 'News', 'Recent support cases', 'Planned maintenance', and 'IBM Cloud status', each with a 'View all' link. The 'News' card lists several articles, including 'Unified Key Orchestrator Now Supports Easy Multicloud Key Management for Google KMS' and 'TrustRadius Best Software: Five IBM Offerings to Make the List'.
